## **Specials Coffees and Teas Selection**

### **Wild Kopi Luwak – Grand Reserve - £22.00**

Kopi Luwak, often referred to as ‘the world’s most expensive coffee’, derives its name from the Indonesian civet cat. The Luwak cat selects only the most perfectly ripened berries, a process of meticulous inspection and one of the reasons why wild kopi Luwak is so prized. In addition, the consumption of these berries begins a unique process that uses the Luwak’s natural enzymes to remove any bitterness from the bean. This results in a coffee full and heavy in body, yet low in acidity, with chocolate and caramel undertones.
